

PRIMERUS FIGHTS HUNGER:

JOIN THE FIGHT!

has joined Primerus in the Fight Against Hunger.

During the month of November, we commit to making a contribution to the United Nation's World Food Programme in the equivalent of one "billable hour".

If each of the 175 Primerus Firms contributed \$600, our collection amount would exceed \$100,000.

Visit [The World Food Programme](http://www.cdn.wfp.org/donate/) website (www.cdn.wfp.org/donate/) and make a donation.

Report contributions made to Chris Dawe at cdawe@primerus.com.

(Individual contributions will be kept confidential, only aggregate dollar amounts of the total Primerus-wide donation will be shared)
