**Law Firm Sponsors Adirondack Health Event**

Iseman, Cunningham, Riester & Hyde LLP sponsored the Adirondack Health *Diamonds and Denim Gala*, held July 9 in Lake Placid, New York.

Outgoing President and CEO of Adirondack Health, Chandler M. Ralph, was honored with the Dr. Edward L. Trudeau Award for two decades of service leading and overseeing significant expansion of the health care system. Despite rainy weather, the outdoor affair under tents was well attended. Funds raised support advancing health care services in the Adirondack Park region.
