Only the Best

You might hear us refer to Primerus members as the world's finest law firms. We know this is true because we seek out and retain only the best law firms around the world. We use all the ratings services available to us, including Martindale Hubbell, Best Lawyers, Chambers, and Legal 500, to ensure the law firms we invite to join Primerus are the best. That is just the beginning. We then conduct a more extensive investigation of the firm, including attorney backgrounds, references and malpractice history checks. An independent accreditation board has the last word on admission and retention of members, resulting in a high quality standard that's applied universally to all members. Another board oversees quality assurance to more specifically define our high standards and to help firms live by those standards in everyday practice. So you can rest assured we really are the best.

Our Values: The Six Pillars

When we formed Primerus in 1992, we set out to restore honor and dignity to the legal profession and help rebuild the public's trust in attorneys and the judicial system by setting the highest standards for our member firms. Every Primerus member firm and every attorney within those firms shares a commitment to a set of common values known as the Six Pillars:

- Integrity
- Excellent work product
- Reasonable fees
- Continuing legal education
- Civility
- Community service

More than twenty five years later, our commitment to these values remains strong, and our clients notice the difference in who we are and how we work.

Your Global Legal Team

We search the world for the best law firms so you don't have to. Our work doesn't end there. We bring these firms into a close-knit society to work together for you. Located in nearly 50 countries around the world and in almost every U.S. state, with more joining every day, our firms are poised to serve as your global legal team, working together to meet your needs seamlessly and efficiently.

We have attorneys with expertise in more legal specialties than any law firm in the world. Combine that with our law firm locations all around the world, and the result is our unique ability to combine location with legal specialty to serve you in a whole new way.

Primerus is ready to help you find the right attorney for any legal matter you face. You can use this directory or our convenient "Find a Lawyer" directory at primerus.com. If you need personal assistance, please call us at 616.454.9959 or 800.968.2211.

Primerus has a staff dedicated to finding the best law firms in the world and then helping clients find the perfect attorney for them. If we do not have a member firm in the area, or one with the expertise you need, we will use our contacts and resources to find one.

Primerus Client Resource Institute (Free to join):

The Primerus Client Resource Institute (PCRI) offers an unprecedented opportunity for clients to join Primerus as we revolutionize today's legal industry. By working within this institute, Primerus members and clients from around the world will examine how we, together, can improve the quality of legal services available, provide easier access to the world's finest law firms, and ensure clients are charged reasonable fees.

There's no fee to join the Primerus Client Resource Institute – visit www.primerus.com/primerus-client-resource-institute.htm to find out more or to apply.

PCRI Membership Benefits

- A free 30-minute legal consultation phone call with any Primerus member, anywhere in the world
- Primerus assistance in finding the right Primerus lawyer(s) to meet your needs
- Access to free Primerus educational webinars
- Access to the PCRI listserv to communicate with other PCRI members
- On-site educational programs can be arranged that are customized to your business and industry

The Primerus Difference

As we all know, the legal market went through a seismic shift during and following the recession of 2008. It's no coincidence that in 2009, the year immediately following the economic crisis, Primerus had one of its most successful years of growth ever. Our firms were offering what clients wanted, and still want – high quality legal services for reasonable fees. Quality and value – that's the Primerus difference.

Primerus Regions

Since Primerus has members around the world with expertise in nearly every legal practice area you can imagine, we have divided our law firms into institutes based on geographical region and legal expertise to help you find just the attorney you need.

The Primerus Business Law Institute (PBLI) brings together top-quality business law firms dedicated to helping corporate clients do business in the global economy.

- Primerus Business Law Institute - Asia Pacific
- Primerus Business Law Institute - Europe, Middle East & Africa
- Primerus Business Law Institute - Latin America & Caribbean
- Primerus Business Law Institute - North America

The Primerus Defense Institute (PDI) is a collaborative endeavor engaging Primerus defense attorneys and corporate defense representatives for the purpose of lowering business litigation costs and reducing exposure to liability.

The Primerus Personal Injury Institute (PPII) is a group of outstanding trial attorneys who represent plaintiffs and consumers in personal injury and many other matters.

WE'RE HERE TO SERVE YOU

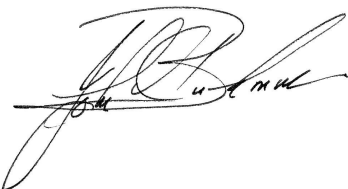

Greetings. At Primerus, we know how challenging it can be to do business in a global economy. More than ever, you need a worldwide legal team ready and able to serve you anywhere, anytime, at a great value. We have assembled just the team you need.

In this guide, you will find information about all of our nearly 180 member firms around the world. Primerus brings together the finest independent law firms, all sharing a commitment to providing quality service for reasonable fees. Meeting our rigorous standards isn't easy so you can have confidence in any of our 3,000 attorneys from nearly 50 countries and 150 cities around the world.

If you don't find what you're looking for here, or if you need more information about a law firm, please call or email Primerus, and we'll do the work for you. We aren't happy until we know you have found someone to help with your legal needs, whatever and wherever they may be.

We have clients all around the world who tell us Primerus is the first place they go when they need a quality attorney. I hope we can be the same for you.

Sincerely,

A handwritten signature in black ink, appearing to read 'John C. Buchanan', with a stylized flourish at the end.
