

Hyundai achieving success in Mexico

Hyundai achieving success in Mexico One year after beginning operations in Mexico, the South Korean company has managed to exceed the expectations that accompanied the company's arrival in Mexico. Currently ranked as the fifth largest auto manufacturer in the world, the presence of Hyundai vehicles is more and more noticeable on Mexican streets... [\[Read More\]](#)

Collaboration between the Mexican Government and the Business Organization AMIA

Collaboration between the Mexican Government and the Business Organization AMIA The Mexican Automotive Industry Association Asociación Mexicana de la Industria Automotriz (AMIA) recently signed an important agreement with the Mexican government concerning issues related to energy and the environment. Such agreement refers to the charging of... [\[Read More\]](#)
