Only the Best

You might hear us refer to Primerus members as the world's finest law firms. We know this is true because we seek out and retain only the best law firms around the world. We use all the ratings services available to us, including Martindale Hubbell, Best Lawyers, Chambers, and Legal 500, to ensure the law firms we invite to join Primerus are the best. That is just the beginning. We then conduct a more extensive investigation of the firm, including attorney backgrounds,

references and malpractice history checks. An independent accreditation board has the last word on admission and retention of members, resulting in a high quality standard that's applied universally to all members. Another board oversees quality assurance to more specifically define our high standards and to help firms live by those standards in everyday practice. So you can rest assured we really *are* the best.

Our Values: The Six Pillars

When we formed Primerus in 1992, we set out to restore honor and dignity to the legal profession and to help rebuild the public's trust in attorneys and the judicial system by setting the highest standards for our member firms.

Every Primerus member firm and every attorney within those firms shares a commitment to a set of common values known as the Six Pillars:

- Integrity
- Excellent work product
- Reasonable fees
- Continuing legal education
- Civility
- Community service

More than twenty years later, our commitment to these values remains strong, and our clients notice the difference in who we are and how we work.

The Primerus Difference

As we all know, the legal market went through a seismic shift during and following the recession of 2008. It's no coincidence that in 2009, the year immediately following the economic crisis, Primerus had one of its most successful years of growth ever. Our firms were offering what clients wanted, and still want – high quality legal services for reasonable fees. Quality and value – that's the Primerus difference.

Your Global Legal Team

We search the world for the best law firms so you don't have to. Our work doesn't end there. We bring these firms into a close-knit society to work together for you. Located in nearly 40 countries around the world and in almost every U.S. state, with more joining every day, our firms are poised to serve as your global legal team, working together to meet your needs seamlessly and efficiently.

We have attorneys with expertise in more legal specialties than any law firm in the world. Combine that with our law firm locations all around the world, and the result is our unique ability to combine location with legal specialty to serve you in a whole new way.

Primerus is ready to help you find the right attorney for any legal matter you face. You can use this directory or our convenient "Find a Lawyer" directory at primerus.com. If you need personal assistance, please call us at 1.800.968.2211. Primerus has a staff dedicated to finding the best law firms in the world and then helping clients find the perfect attorney for them. If we do not have a member firm in the area, or one with the expertise you need, we will use our contacts and resources to find one.

Primerus Regions

Since Primerus has members around the world with expertise in nearly every legal practice area you can imagine, we have divided our law firms into institutes based on geographical region and legal expertise to help you find just the attorney you need.
