

WE ARE PRIMERUS™

Why Primerus™ for Small-to Medium-Sized Businesses

We have more than 150 of the World's Finest Law Firms™, meticulously vetted for integrity and quality, to provide concierge, partner-level services at half the cost of Big Law.

For small to medium-sized businesses that are owner-managed and do not have their own in-house counsel, Primerus™ is an ideal solution to meet your legal needs. Our global reach coupled with our trusted advisor and strategic partner programs provide a unique combination of services seldom found in any law firm, regardless of size. It is akin to having that very special lawyer and close friend at your side, someone who knows your business as you do and in whom you can place your complete trust. That person is part of the Primerus™ Society of Law Firms that operates in more than 50 countries with an abundance of experts and resources available on a moment's notice to help meet every legal need and challenge faced by your business.

Best of all, this unique Primerus™ brand of concierge service is available at a modest monthly flat rate, designed specifically for the small to medium-sized owner-managed businesses, much like the primary care services offered by a family physician. Only for special legal work requiring a substantial number of attorney hours is a reasonable hourly fee charged for these additional services.

Let Primerus™ help you enhance the quality of your legal services while also reducing your overhead through lower legal costs.
