300 PALABRAS - Controversial Decision by Mexico's Supreme Court in Cassez Case

The recent decision by the Mexican Supreme Court of Justice in the widely publicized Cassez case shocked the country in a way that had not occurred since the same court decided to confirm a labor court resolution in favor of petroleum workers, which led the government to expropriate petroleum companies... [\[Read More\]](#)

Debate: Bulls or Bullfighters?

It is said that Mexico is the Latin American country that is most like Spain, not only because of the Spanish conquest and colonization during three centuries by the Spanish Empire, but because of the subsequent waves of Spanish immigrants who decided to make Mexico their destination. In addition to... [\[Read More\]](#)

The Mexican Department of the Economy Publishes Guidelines to the Privacy Notice

widely publicized Cassez case shocked the country in a way that had not occurred since the same court decided to confirm a labor court resolution in favor of petroleum workers, which led the government to expropriate petroleum companies... [\[Read More\]](#)

Political Thermometer

.....

The political temperature of Mexico was at reasonably stable levels until the unfortunate explosion at one of the central buildings of Petróleos Mexicanos (PEMEX) (the state owned company in charge of managing petroleum in the country), which generated substantial speculation and placed energy... On January 17, 2013, the Mexican Department of the Economy published in the Official Journal of the Federation guidelines governing privacy notices ("Guidelines") given in Mexico. As provided for under Mexican law, the privacy notice (" Privacy Notice") fulfills the requirements... [\[Read More\]](#)

Real Estate Law – The Community Property System and the Sale of Real Estate

[By: Jorge Ojeda](#)

The various civil codes in Mexico establish two principal marital property systems: community property and separate property. In a few states, such as Jalisco and Sonora, a third regime known as the legal property (sociedad legal) system exists, which essentially consists of a broader community property...
