## Perspective on the Energy Reform in Mexico

By: [Mario Melgar-Adalid](#)

There are different variables to the so-called energy reform in Mexico that one must be aware of in order to understand its current status and scope. Since the announcement on August 12, 2013 by the government of President Peña Nieto, this issue has held the attention of the country and that... [\[Read More\]](#)

## 300 PALABRAS - The Marijuana Debate Reaches Mexico

By: [Dr. Mario Melgar-Adalid](#)

In Mexico, the use of marijuana is generally considered an act contrary to good morals, and its production, trafficking and consumption are penalized. Nevertheless, there is a movement in the capital of the country to debate this matter. In all likelihood, this is attributable to the ideological openness... [\[Read More\]](#)
